

OVERVIEW

Modernize how the mission works.

PaperChaseWebb Inc. is a service-disabled veteran-owned advisory firm helping agencies govern AI, build working systems inside existing tools, and get the workforce to adopt them.

CORE COMPETENCIES

Govern AI

- AI governance frameworks and policy drafting
- Program and operations management for AI adoption
- Process diagnostics: finding where staff hours go

Build & integrate

- Agent and workflow automation with human approval gates
- Integration of commercial AI tools into existing systems
- Logging, controls and operator handoff documentation

Adopt & train

- Workforce GenAI training and enablement materials
- Change-management and plain-language adoption guides
- LLM evaluation and model output quality review
